

MPS – Intelligent Infrastructure

MPS is the leading provider of turn-key parking payment and automated enforcement solutions. We manage tens of millions of parking sessions annually.

OPTIMIZE PROFITS & TAKE BACK CONTROL OF YOUR PARKING ENVIRONMENT WITH NO CAPITAL OUTLAY

- GENERATE 2-3x MORE PASSIVE INCOME, CONVERTING EXCESS “AFTER HOURS” INVENTORY INTO NEW REVENUE STREAMS
- ENSURE PARKING COMPLIANCE/REDUCE ABUSE
- AUTOMATED ENFORCEMENT VIA ARTIFICIAL INTELLIGENCE “AI”
- MOBILE PAYMENT AND VIOLATION/COLLECTION MANAGEMENT

WHO BENEFITS:

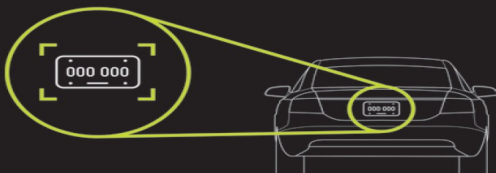

- Commercial, Retail, Multi-Family, HOAs
- Employee, tenant, guest or mixed-use parking
- 5-50 space lots to large garages

HOW IT WORKS

- 1) LPR cameras monitor vehicles entering/exiting 24/7/365
- 2) Vehicle plates checked against parking rules
- 3) Parking policies automatically enforced. Hassle-free, frictionless parking management

End-to-end Parking and Revenue Control

- Single Vendor
- No Maintenance

License Plate Recognition Cameras (LPR)

Permit-based Management

Automated AI-based enforcement

Real-time boot/tow alerts

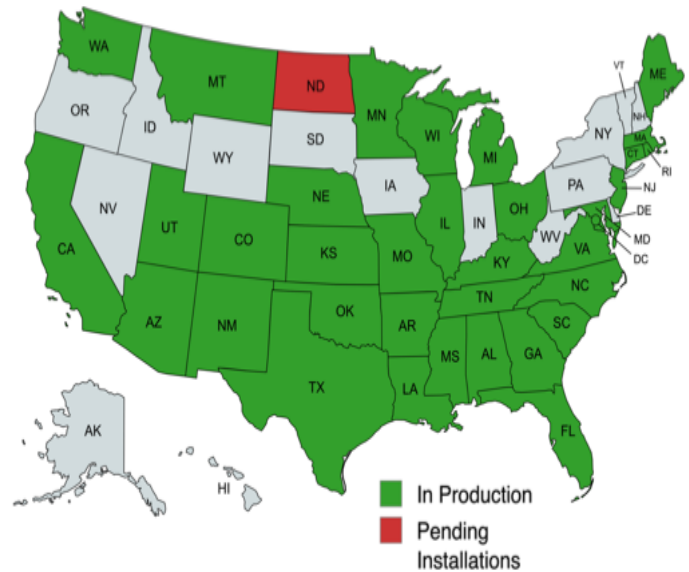

Best-in-class Collections

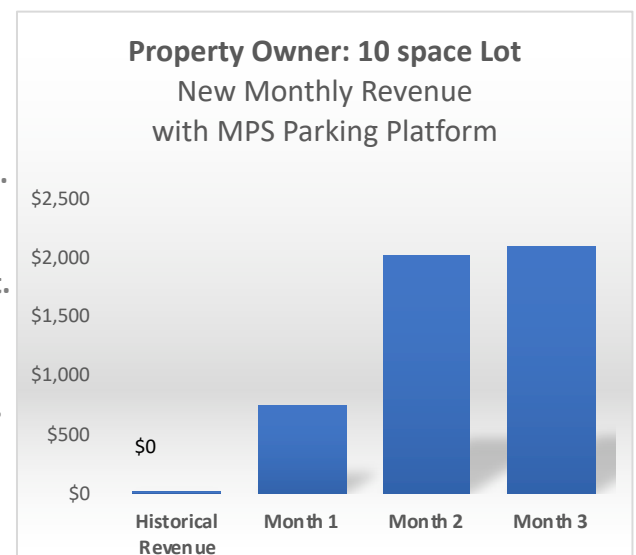

Mobile Scan/Text-to-Pay
Dynamic Rates
Flexible Validation Programs
Self Serve Mgt Dashboard

Detection Area

- **47+ Patents** solidifies market leadership in automated enforcement/vehicle detection
- **National Footprint:** 37 states & counting
- **End-to-End Enforcement Management:**
 - Violation detection
 - Photo-documentation
 - 3-Step verification
 - Mailing/Boot-tow alerts
 - Dispute management
 - Best-in-class collection rates
- **Increasing Passive Lot Income/NOI:**
 - **2-3x+** on small 5-50 space lots
 - **30%+** on large lots

- \$2,000+ in new monthly passive income.
- Under 45-day payback on investment.
- Improved customer parking availability.
- Reduction in abusive parking.
